

BRILLANCE

Ficha Técnica Technical Sheet

Origen	Artesanal, Guadalajara Jal. Mexico
Origin	Handcrafted, Guadalajara Jal. Mexico
Material	100% Microfibra tipo split (80% poliéster 20% Poliamida)
Material	100% split microfiber (80% polyester, 20% polyamide)
Medidas	Large (L): 250 g $\pm$ 5%, 40 cm $\pm$ 5%. Extra Large (XL): 350 g $\pm$ 5%, 50 cm $\pm$ 5%.
Measures	Large (L): 250 g $\pm$ 5%, 40 cm $\pm$ 5%. Extra Large (XL): 350 g $\pm$ 5%, 50 cm $\pm$ 5%
Colores	Nórdico, Dolfy, Verde Limón, Boreal, Azul, Madera barnizado
Colores	Caramelo, Naranja, Amarillo, Rojo, Rosa, Morado, Aqua, Arcoiris
Colores	Morado, Verde Limón, Amarillo, Rojo, Limón, Aluminio
Colores	Negro, Rosa, Aqua, Arcoiris, Azul, Naranja, Boreal, Dolfy, Nórdico, Caramelo
Colors	Nordic, Dolfy, Green, Boreal, Blue, Caramel, Varnished wood
Colors	Orange, Yellow, Red, Pink, Purple, Aqua, Rainbow
Colors	Purple, Green, Yellow, Red, Lemon, Black, Pink, Aluminum
Colors	Aqua, Rainbow, Blue, Orange, Boreal, Dolfy, Nordic, Caramel

Trapeador

Microfibra Española

Mop

Spainard Microfiber

Cuidados y Recomendaciones Care and Recommendations

Mojar y escurrir antes de usar

Wet and wring before use!

Trapeado en zigzag para máxima cobertura

Zigzag mopping for maximum coverage

Lavar tras cada uso, sin suavizantes ni cloro excesivo

Wash after each use, without fabric softener or excessive chlorine

Rotar cabezales para mantener higiene y prolongar vida útil

Rotate printheads to maintain hygiene and extend service life

Cambiar el agua entre áreas y rotar cabezales por color (evita contaminación cruzada)

Change the water between areas and rotate showerheads by color (avoids cross-contamination)

Características y Beneficios Features and Benefits

Alta Absorción

Retiene 7–8 x su peso en agua

Absorption

7–8 times its weight in water

Captura polvo y grasa

sin químicos agresivos

Captures dust and grease

no harsh chemicals

Diseño tubular

para limpieza eficiente y mayor fricción

Tubular design

for efficient cleaning and increased friction

Resistente al cloro

en concentraciones moderadas sin decolorarse

Chlorine resistant

in moderate concentrations without discoloration

Hipoalergénico

Apto para hogares con mascotas

Hypoallergenic

Suitable for homes with pets

Vida útil

200–500 lavadas manteniendo eficacia

Useful life

200–500 washes while maintaining effectiveness

Secado

Al aire o a baja temperatura

Drying

In the air or at low temperature

Lavado

30–60 °C con detergente neutro (sin suavizantes ni cloro excesivo)

Washing

30–60 °C with neutral detergent (without fabric softener or excessive chlorine)

Doble costura

y banda reforzada para mayor resistencia

Double stitching

and reinforced band for greater strength

Uso

comercial, industrial y doméstico

Use

commercial, industrial and domestic

Compatible con escurridores

tipo abrazadera, mordaza o cucharón

Compatible with colanders

clamp, jaw or bucket type

Durabilidad

hasta 5 x más larga que trapeadores de algodón

Durability

up to 5 times longer than cotton mops

No genera pelusa

ni deja marcas

Does not generate lint

nor leaves marks

Diseño ergonómico, ligero y eficiente

fácil de manejar incluso al estar húmedo

Ergonomic, lightweight and efficient design
easy to handle even when wet

Notas legales Legal rules

Producto elaborado con fibras sintéticas

Product made with synthetic fibers

Un lavado adecuado minimiza liberación
de microplásticos

Proper washing minimizes the release of
microplastics

No biodegradable

Not biodegradable

No contiene sustancias tóxicas ni alérgenos
conocidos

It contains no toxic substances or known
allergens

Resistencia y Seguridad Resistance and Safety

Resistente a ácidos diluidos, álcalis suaves,
alcoholes y aceites en concentraciones
normales

Resistant to dilute acids, mild alkalis, alcohols,
and oils in normal concentrations

Partes no textiles soportan hasta 110 °C
(evitar exposición continua > 60 °C)

Non-textile parts withstand up
to 110 °C (avoid continuous exposure > 60 °C)

Resistencia moderada a radiación UV
y abrasión (evitar sol prolongado)

Moderate resistance to UV radiation and
abrasion (avoid prolonged sun exposure)
